EXIT DRILLS IN THE HOME

Plan Your Escape

- ✓ Draw a floor plan of your home. Show two (2) ways out of each room. Discuss escape routes with everyone in your home.
- ✓ Agree on a meeting place outside where everyone will gather once you escape.

Create a floor plan of your home using the space below. When finished, hang your drawing up in the house where everyone can see it.

Don't forget to practice a home fire drill once a year.

Grid area for drawing a floor plan.

Always **Call 9-1-1** in emergencies needing Police, Fire, and Medical
